WATER & WASTEWATER SERVICES

EMPLOYMENT OPPORTUNITY

OPERATOR - ALBANY, PEI

Environmental Industrial Services Inc. (EISI) operates water and wastewater systems across the province for various public and private entities and is looking for a full-time Class 2 or higher Wastewater Treatment Operator for the Albany Beef Wastewater Treatment Plant (and other wastewater facilities in Western PEI). A Class 1 Water Distribution Certification is an asset and/or will be required in a reasonable time frame. Applicable and on-going training and education will be provided by EISI. This position has opportunities for advancement.

The Operator will work with the Plant Superintendent. Responsibilities include, but are not limited to, monitoring treatment processes, conducting tests, collecting samples, troubleshooting problems, general maintenance, and providing vacation, sick leave relief, and operational support to other EISI staff. On-call duties may be required across the province.

Salary for this position is based on qualifications and includes medical and dental benefits, and a retirement plan. EISI is an equal opportunity employer.

Posting will remain open until an incumbent has been selected.

Please submit resumes to:

John Kelly, P.Eng, Manager EISI

110 Watts Avenue, Charlottetown, PE C1E 2C1

or by email to jakelly@gov.pe.ca

We appreciate all applicants, however only those selected for an interview will be contacted.
