

**Municipality of the County of Victoria
Employment Opportunity
Water Utility Operator**

The Municipality of the County of Victoria has an opening for a water utility operator for the operation of water supplies in communities within the Municipality. These supplies consist of small ground water systems and one small surface water conventional chemical treatment system. The supplies provide treatment, distribution and storage requirements to approximately 500 households in Victoria County. The position is for full time employment, with benefits and is subject to probationary review.

The ideal applicant will possess water operator certification and experience. Applicants that can demonstrate aptitude and related experience will be considered. The successful applicant must be willing to work toward obtaining Class I and Class II water certification. The water utility operator will be required to perform maintenance and repairs on all aspects of small water systems, this includes, pumping, treatment and distribution, ensuring all regulatory requirements are met.

Applicants must hold a valid drivers' license. You may be required to complete a skills test. Proof of certifications and licenses are required at time of employment.

Pay and benefits are competitive and are established through the CUPE Local 2694 Collective Agreement. Hours of work are based on a minimum 40-hour work week.

The Municipality of the County of Victoria thanks all applicants, however, only those selected for an interview will be contacted.

Please forward:

- A covering letter detailing your experience as it relates to the position.
- A resume with three (3) current references familiar with your professional experience.

Please note, failure to provide required information will result in an incomplete application submission and will not be considered.

The Municipality of the County of Victoria is located on Cape Breton Island in Nova Scotia. The county's borders rise from the shores of the Bras d'or Lakes extending into the Cape Breton Highlands, passing through the Cape Breton Highlands National Park via the world-famous Cabot Trail.

The beauty and natural environment of Victoria County lends itself to be the perfect destination for the outdoor enthusiast. With numerous hiking, skiing and snowmobile trails as well as lakes and rivers for boating and fishing, finding something to do any time of year is a breeze.
