

2019 ACWWA ANNUAL CONFERENCE

In 2019, the ACWWA Annual Conference will return to Halifax, Nova Scotia, carrying the momentum of the successful events held last year in Sydney. The Halifax Marriott Harbourfront hotel will serve as a familiar conference venue and provide attendees with a range of valuable technical sessions, trade show products and services, and networking opportunities.

The Halifax conference provides a central location with convenient transport options for all attendees, making the destination a popular choice in prior years. The conference theme this year is “Uncharted Waters – Preparing for the Unknown”. The theme touches on many topics affecting the current water and wastewater industry; including climate resilience, regulatory practices, technological advancements, workforce challenges, and management techniques. The conference will attract industry-leading practitioners to share ideas and thoughts around this central theme.

The conference schedule will include several days of diverse technical and social events, including awards and recognition, the ABEA Hospitality Night and the Down East Feast. Halifax offers tremendous opportunity to visit some of Atlantic Canada’s historical treasures within a modern and diverse maritime city. Guests and attendees are provided a memorable and valuable experience that continues to unite and strengthen our industry in the region.

THE OPPORTUNITY

The success of this conference is made in part, by the generous support of National, Regional and Local businesses and companies. By becoming a sponsor, you’ll be helping us share your particular message of how you are participating in “Uncharted Waters”.

It is also your opportunity, beyond the conference sessions and Trade Show floor, to reach Municipalities, Regulators, Utility Managers and Operators, Design Professionals, Contractors, Suppliers and other water and wastewater professionals in the industry.

This opportunity provides an excellent means to showcase your company, its unique abilities and offerings to a singularly motivated audience of over 400 people from throughout the region.

The Sponsorship Committee has assembled an opportunity for various levels of participation enabling everyone their time in the spotlight.
