

NASTT's Introduction to Trenchless Technology- Rehabilitation
October 9, 2019 **Halifax, NS**

The North American Society for Trenchless Technology

Founded in 1990, NASTT is a not-for-profit, educational and technical society that is dedicated to the promotion of the benefits of trenchless technology through education, training, publication and research. NASTT is the definitive trenchless technology resource for individuals, agencies and companies involved with providing water, sewage, electrical, gas and communications services.
