ACWWA 2nd Annual Demo Days

October 22, 2024

Best Western Glengarry - Truro, NS

Call for Papers

The ACWWA Education committee and the ABEA are thrilled to welcome your submissions for an opportunity to demonstrate your technology/equipment at this hands-on training event for water/wastewater operators, supervisors and managers!

Your presentation should include:

- **Part A: detailed 30–45-minute introductory presentation outlining the technical and theoretical aspects of your products/equipment.**
- **Part B: detailed 1.5-hour hands-on/interactive presentation outlining the product/equipment highlights**
- **A complete breakdown of your demo/instructional materials (i.e., demo equipment, manuals, handouts, PPT, etc.), instruction method, and end-of-class quiz/test for CEU requirements.**
- **A full list of any space, material, power and/or connection requirements you may have.**
- **A list of who will be presenting/instructing (list all backups or alternates).**

If selected, your presentation MUST be able to include a maximum capacity of 20 participants and enough technology/equipment for (individually or in pairs) everyone to participate.

Because this event will garner CEUs for participants, ACWWA education committee will work with you to make sure you have appropriate instructional materials developed, as well as a proper testing component. *(Short 5-10 questions on topic from each participant)

Submission Deadline: July 31, 2024

SAMPLE EVENT SCHEDULE:

- **Day 1 (8:00 AM-5:30 PM)**
 - Continental Breakfast at 7:30 AM
