

2025 ACWWA ANNUAL CONFERENCE SPONSORSHIP OPPORTUNITIES

After 10 years, the ACWWA Conference is returning to St. John’s, NL! The planning for this event has already begun with hopes of making this a memorable experience for all delegates and vendors. The conference theme is Charting the Course, which gives a nod to the rich nautical history of Newfoundland and Labrador where everyone has a strong connection to the sea. Since John Cabot discovered Newfoundland in 1497, sailors have relied upon maps to chart their journeys around our province. The Conference schedule will include several days of diverse technical and social events, including awards, recognition, and the ABEA Hospitality Night.

The success of the ACWWA annual conference is from the generous support of our industry partners. This opportunity provides means to showcase your company, beyond the conference sessions and Trade Show floor, to reach Municipalities, Regulators, Utility Managers and Operators, Design Professionals, Contractors, Suppliers and other water and wastewater professionals in the industry.

We are looking forward to once again coming together to share our experience and knowledge with our peers, and we require your support to make this happen. Please consider supporting our conference through your sponsorship of this event. We have assembled an opportunity for various levels of participation enabling everyone their time in the spotlight.
