Municipal Residential Drinking Water Systems in Source Protection Areas

December 13-14, 2021 (8:30 – 12:30 AST)

Course Objective / Description

This course will look at new regulations that fall under the Safe Drinking Water Act. O. Reg. 205/18: Municipal Residential Drinking Water Systems in Source Protection Areas came into effect July 1, 2018. We will look at what the Regulation means to your system, how the regulation impacts you and how to stay compliant. You will learn about work permits and the steps needed to protect drinking water sources before applying for a work permit.

What will be covered:
- Where the Regulation applies
- Your responsibilities
- Source Water Protection
- How the changes impact your municipality
