

Developer and Owner – WWOTC

Online Course – Instructor Led

Wastewater Laboratory Health & Safety

March 23-24, 2022 (8:30 – 12:30 AST)

Course Objective / Description

This one day knowledge based course will cover wastewater laboratory health and safety. This course is especially suited for operators, analysts or anyone who has access to a wastewater laboratory. There will be a focus on the legislation and how it applies to the individual and in the laboratory. The course will give detailed instruction on safe work practices for a wastewater laboratory and the prevention of biological hazards.

Will be covered:

- Occupational Health & Safety Act
- WHMIS
- General Lab Health & Safety Practices
- Wastewater Plant Biological Hazards
