

## **Wastewater Collection**

### **Level I & II**

**December 4-7, 2023**

**Halifax, NS**

#### **COURSE SUMMARY:**

This course will be offered as a combined Level I and II course with topics relevant to Wastewater Collection.

Fundamental Wastewater Collection topics will cover:

- Pipe materials
- Lift station and pump operation
- Related maintenance procedures
- Need to know math operations
- Safety procedures

Intermediate topics will build on the fundamental topics and will cover a variety of design theory and practical applications for Atlantic Canada and is recommended for operations staff who maintain Level I and II systems.

#### **COURSE FORMAT:**

This course is four days in length.

Course manual and other material will be sent to the training facility for each attendee.

It is important to register early to ensure course manuals are ordered. Last minute cancellations and no shows will be responsible for the payment of the course manual. Manuals will be mailed out to those who are not in attendance after the course.

#### **REGISTRATION INFORMATION:**

Registration can be made by faxing or mailing the registration form on the reverse of this page, or on-line at [www.acwwa.ca](http://www.acwwa.ca). For further information, please contact ACWWA Section Office at 902-434-6002.

#### **COURSE LOCATION & TIME:**

Registration is at 8:30 am at:

CBCL Limited  
Suite 901, 1505 Barrington Street  
Halifax, NS

Please fax or mail this form, *at least 2 weeks prior* to the course.  
Registrations can also be made on the ACWWA webpage at [www.acwwa.ca](http://www.acwwa.ca)
