PRESENTER: Tom Cameron

I am President/CEO for Aqua Data Atlantic and licensee for Eastern Quebec and Atlantic Canada since 1997. I co-ordinate and supervise all projects with regards to modeling, flushing, hydrant and valve inspection programs, etc... I have been a member of ACWWA, ABEA & MPWWA for many years and have served as a board member for ACWWA and ABEA. I am also the President / CEO of Scotia Tech Fluid Services, the Sensus Water Meter distributor for sales and service for Atlantic Canada since 1992.

Work Experience:

- Worked in the field for fifteen years performing UDF work
- Worked in the field for fifteen years performing hydrant and valve inspections
- Worked in the field for fifteen years performing HWC and flow pressure tests along with fire flow testing
- Have preformed hydraulic model training for customers throughout Atlantic Canada and worked with the modeling software (AquaCad Suite) for the past ten years
- Work on model updates and UDF updates for our customers throughout Atlantic Canada
- Look after all sales in the English parts of Atlantic Canada and my senior technician in Edmundston does the French speaking customers
- Do all field work schedules for our technicians and handle day to day operations of our company
- Perform leak detection work for our customers and training
