Bill Butler Scholarship (2026 Competition)

Bill Butler was a lifelong contributor to the water and wastewater industry in Atlantic Canada and a very active member of ACWWA and AWWA. Bill spent much of his career at the Saint John City's Water and Sewerage Department, but ended his legacy as the Commissioner of Community Services in Saint John. Two of Bill's biggest interests were people and water, which combined in his appointment as President of Water for People – Canada from 1994 until retirement. In whatever area Bill worked he showed enthusiasm, professionalism and above all, a true interest in the people he worked with. He gave those working in the water and wastewater sector a sense of team pride in providing such essential services to citizens. Bill Butler passed away in 2018 and in his honour, ACWWA has established a yearly educational scholarship.
